Farmingville, NY – At the April 21 Town Board meeting, Councilman Kevin LaValle presented a Certificate of Congratulations to Joe Strazzeri, owner of Middle Country Automotive of Selden and Centereach, in recognition of being named Business of the Month for April in Council District 3. The award is given to a business that deserves special recognition for the positive impact that they have on the community. In 2015, Middle Country Automotive of Selden and Centereach donated three vehicles to St. Margaret's Church to provide to the less fortunate, and the generosity has continued this year with the donation of another car in 2016. Their business also serves as a food point drop off for St. Margaret's, collecting food and sending it off to the food pantry twice a month; discounts are

extended to veterans as well as members of the church.

Councilman LaValle said, "I thank Joe Strazzeri and the staff at Middle Country Automotive for their very generous contributions and for lending a helpful hand whenever needed. When it comes to community service, no one deserves credit more than Joe. He's always there to serve our residents and I am happy to name his company the April Business of the Month."
